

Helpful Hints

Shipping to the Show

- * When shipping to the warehouse, ensure your shipment arrives by the deadline date to avoid additional surcharges.
- * Clearly mark your company name, booth number and AIMExpo 2017 on your labels.
- * Material handling is charged per shipment. To avoid multiple charges, ship all your pieces together.
- * Make sure your shipment arrives with a certified weight ticket to help avoid Special Handling charges.

How to Store Empty Containers

- * Pick up "Empty Labels" at the Exhibitor Service Desk.
- * Place a label on each container with your company name & booth number on each label.
- * Labeled containers will be picked up periodically and stored during the show.
- * Once containers are placed in empty storage there will be no access to those containers.
- * At the close of the show, the empty containers will be returned to the booth in random order. This process may take several hours.

Shipping Out Procedures at the Close of the Show

- * Pick up your Bill of Lading at the Exhibitor Service Desk.
- * You must complete a Bill of Lading for each individual shipment.
- * All pieces must be labeled individually. Pre-printed shipping labels are available at the Exhibitor Service Desk.
- * Unless you are using a show carrier, schedule your carrier for pick up at the appropriate time.
- * When materials are packed, labeled and ready to be shipped, the completed Bill of lading must be turned in at the Exhibitor Service Desk.

Shipping Information (continued)

Read the "LIMITS OF LIABILITY & RESPONSIBILITY" form included in this service manual for extremely important information concerning shipping and Material Handling.

Please prepay all shipping charges. Brede/Allied cannot accept or be responsible for collect shipments.

All shipments must have a bill of lading or delivery slip showing the number of pieces, weight and type of merchandise. Upon shipping, immediately send copies of bills of lading to Brede/Allied and the name of your on-site representative.

Certified weight receipts are required for all shipments. Brede/Allied will estimate weight for private vehicles without certified weight receipts.

Separate mixed van shipments between crated and uncrated and clearly identify the weights of each bill of lading.

All shipments must be consigned C/O Brede/Allied to enable us to accept them for handling. Convention centers and hotels will not accept direct shipments consigned to them, as they have no facilities for receiving or storing freight.

Labor and equipment for unloading and loading are included in the Material Handling rates. Labor and equipment will be available for uncrating, unskidding, assembling, positioning, leveling, dismantling, recrating and reskidding machinery and/or equipment of exhibitors. Place your orders for this labor with the "Labor" order form included in this service manual.

If your material requires specialized rigging equipment, please notify us promptly so that we can make arrangements. When possible, supply your own rigging equipment with shipments and pre-rig your material.

Shipping cartons will be picked up, stored and returned after the show if they are affixed with "Empty" labels by the exhibitor. These labels will be available at the Brede/Allied service desk and are for **empty storage only**. It may take up to 5 hours to return empty crates to your booth once the show ends.

Shipping information, bills of lading and labels will be available at the Brede/Allied service desk. *Exhibitors selecting non-official carriers will need to make their own arrangements for pick-up.*
