

ON-SITE STORAGE

American International Motorcycle Expo

L194750224

Las Vegas Convention Center | Las Vegas, NV February 6 - 8, 2024

On-site Storage is used when you have product you need to replenish during the event, or if you have items you don't want stored with the empty crates. Do not use this service for "Empty" storage. Two different types of storage are available:

Accessible Storage: Use this type when you need to pull items out of storage during the show. Materials in Accessible Storage will be accessible during the event, but not necessarily by exhibitors. The charge for Accessible Storage is a daily storage fee plus a per hour labor fee each time materials are moved.

Secured Storage: Use this type only if you do not need your items again until the end of the event. Materials will be placed into secured storage and will be returned to your booth after the close of the show. The materials will be accessible during the show by Shepard personnel only. A minimum one-hour material handling labor charge at show rates will apply each time material is handled

WAREHOUSE STORAGE

American International Motorcycle Expo

L194750224

Las Vegas Convention Center | Las Vegas, NV February 6 - 8, 2024

Warehouse Storage is used when you need a place to store your exhibit or product for days, weeks, or even until your next event.

Pricing

- · Warehouse storage rates are billed \$10.00 per cwt per month (\$100.00 a month minimum charge) (35006).
- Each shipment returned to the warehouse for storage will be billed \$20.00 per cwt (\$400.00 minimum) (35005).
- For liability reasons, only shipments for which material handling drayage charges have been paid to Shepard will be eligible for Shepard storage services.
- All packages must be properly packed & labeled. Shepard Exposition Services' limit of liability will be \$5.00 per pound. or \$500.00 per package or container, whichever is less. No uncrated material will be accepted at the warehouse.

Step 1. Complete exhibiting company information.
