

## EXHIBITOR BOOTH DISPLAY PACKAGES

**Let us do the work for you!**

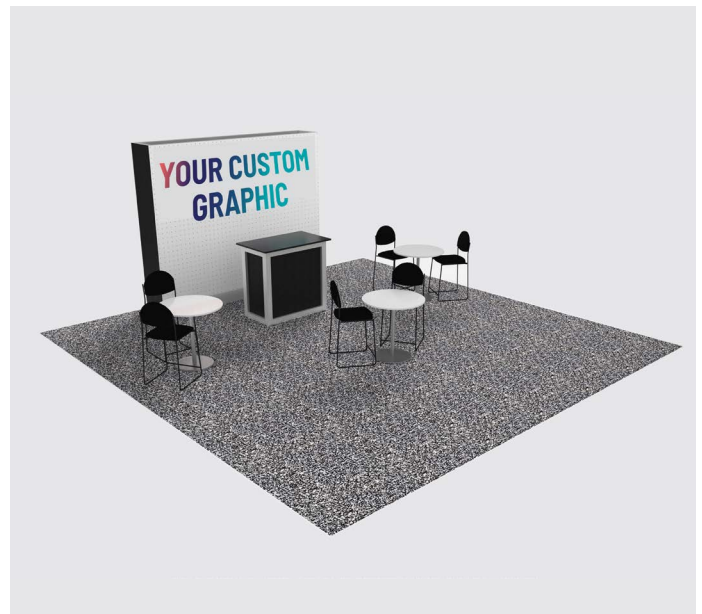

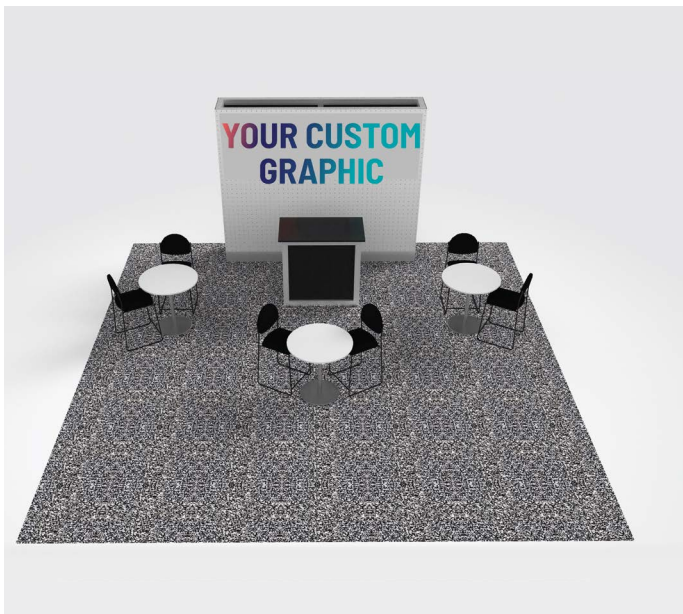

AIMExpo and Shepard Displays have partnered to offer exhibitors a turnkey booth solution that will save time and money. A lot goes into planning your display and with time and other resources being at an all-time premium, we created a turnkey package to make participation at AIMExpo a little easier.

With highly visible custom graphics, the flexibility to showcase your products and/or services and a place to meet with potential buyers – or simply drive traffic to your booth with a place to recharge, this turnkey package was created for your convenience so you can focus more energy on promoting your brand and products. Including fabric graphics, furniture, carpet and the labor to set it up, spend less time building and more time on your business.

### 20'x20' & 20'x30' ISLAND DISPLAY\*
